

# TAYLOR TIMES

A Quarterly Newsletter

January 2008

The Taylor Team is proud to introduce our quarterly newsletter. We want to hear about your happenings or achievements. If you want to share these with our patients and their families, just let our staff members know all the details so we can put it in print.

## CONGRATULATIONS TO OUR CONTEST WINNERS!!

From our Palm Beach Gardens office, Lake Wilson won the postcard contest. Lake did a variety of things over the summer including working for his red/black belt in Karate, taking several trips to Orlando, attending surf and dive camp, and spending time with his dog, Socks.

From our Wellington location, Jackie Slayden won. Jackie and her family traveled to Alaska.

Jackie's postcards were a diary of her daily activities. Her excursions included whale watching, spotting bald eagles, viewing snow-covered mountains, and panning for gold.

Lake and Jaclyn both won a \$50.00 gift certificate to a mall in their area. Thanks to all of you that sent in postcards. You made our bulletin board enjoyable for everyone.

Our Pumpkin Patch contest was fun, but it came to an end more quickly than originally anticipated. The patch in Gardens weighed in at 164lbs. Jonathan Schacht guessed 160lbs.

In Wellington, our pumpkin weighed a hefty 57lbs. We had more than one participant that guessed the exact weight. Robert Carruthers was the lucky name pulled from the hat. They both received a mall certificate for \$25.00.

## UPCOMING CONTESTS

JAN 1ST THRU FEB 29TH - CANDY COUNT

MAR 15TH THRU JUN 1ST - TOKEN TREASURE CHEST

BRING IN YOUR REPORT CARD AND RECEIVE **EXTRA** TOKENS FOR YOUR A'S. THIS IS A CONTINUOUS CONTEST FROM THE 1ST DAY OF SCHOOL TO THE LAST. STUDY HARD AND GOOD LUCK!!

Taylor Orthodontics would like to welcome Emily Seipel to our team. Emily is our new scheduling coordinator; she is originally from Connecticut. After earning her B.A. from Paier College of Art in Hamden, Ct., she decided to move to sunny south Florida and work with us creating beautiful smiles. Remember she's new to us and new to Florida. Please give her a smile with your name when you come in.

At Taylor Orthodontics, we strive to create healthy mouths and educate on proper brushing techniques. If you would like us to visit your classroom or school, please contact Rebecca with requests or details.

## TAYLOR FUN

### USELESS TRIVIA

Enamel is the hardest substance in the human body.

A human is born with 300 bones in the body; by the time one becomes an adult, some of the bones have fused together leaving 206.

Did you know that it takes 17 muscles to smile and 43 muscles to frown?

### Interesting Town Names

Floss, Arizona

Hygiene, Colorado

Colgate, North Dakota

Smiley, Texas

### Hidden Phrase

In this newsletter are hidden clues to a word or phrase. Find them, solve the puzzle and bring it in for extra tokens.
